

Our Purpose

The purpose of our program is to give you a "break" from your normal routine with the peace of mind that your children are in a safe, fun, and Christian environment.

Our mission is to provide parents with a means to meet other parents with children of similar ages and give young children opportunities to learn vital socialization skills that will prepare them for preschool.

A place for spiritual growth and learning...

Our main objective is to provide children with a loving Christian environment. We want to share the love Christ has for others and guide our children in that manner.

We also seek to provide children with opportunities for optimal growth in all developmental areas by utilizing age appropriate practices. Our philosophy is to provide children with multiple opportunities to explore, experiment, and grow in a safe and nurturing environment while acquiring foundational skills for success.
