BIBLE STUDY CLASS

Location: Room 207

We are a small, friendly, multi-generational group that enjoys reading and discussing Christian literature together, such as books by James Moore and J. Ellsworth Kalas. We enjoy hearing other points of view and struggling together to understand the difficult questions of faith. A lively sense of humor ensures that there is never a dull moment! Everyone is welcome. Contact Susan Johnson, susan.johnson@dbf.fldoe.org, for more information.

We are known for our social get-togethers and fellowship times (and trips), usually monthly. We support the nursery class made up of two and three year olds.
