

FEBRUARY 2020

# the EPISTLE

Dear Friends:

A few things to share with you as we continue into 2020.

**Strategic Planning Team:** Many thanks to all who participated in the FOCUS GROUP listening sessions. It was helpful for our team to hear your voices in small groups as you discussed the future of Saint Paul's UMC. During February and March the Strategic Planning Team will be meeting to find trends and patterns in your discussions and how those might affect our work moving forward.

**Making Room:** The work on our renovation project is nearing completion (the major task remaining is to install the chapel door and automatic opener). Many of you have asked where we stand financially with this project. Here are our numbers thus far:

Current contributions : \$457,691.57

Current expenses for construction and related costs: \$811,088.01

**Financial Status:** The financial books have been closed on 2019, and unfortunately, we finished the year with a deficit of approximately \$38,000. The Governing Board is taking a hard look at our operating budget for 2020 and discussing ways that we can bring our budget more in line with our actual expenses. This will be difficult work and your prayers are asked for the decisions that will be made.

This is a good time to remind the congregation that the Governing Board is the administrative leadership team of the church. Governing Board meetings (with the exception of personnel discussions) are open to the congregation and are always advertised in worship and on the church calendar. A summary of Governing Board actions is communicated in the Epistle. **The February Governing Board meeting will be held at 6:30 p.m. on Wednesday, February 24, 2020 in Room 301.**

**Lent Plans:** The season of Lent begins at the end of this month with Ash Wednesday being February 26. We will be offering two evening classes during Lent, along with our early morning chapel services at 6:30 a.m. Take a look at the back page of this issue of the Epistle for more information about our Lent activities.

**Daily Bible Reading Plan:** This year, our Daily Bible Reading is taking us through various books of scripture as we seek to find what image, what word, or what question the reading evokes in us. You may subscribe to receive the Daily Bible Reading each morning via email, or you can find it daily on the Saint Paul's UMC Facebook page. Jump in anytime and read with us!

## "METHODISTS UNITED IN PRAYER" IN CUBA AND FLORIDA

Since 1997, our Florida Annual Conference has been united in prayer with the Methodist Church in Cuba. Then there were 192 Cuban local churches, but now there are more than 450! Revival has been happening for 22 years. Saint Paul's UM Church has been united in prayer with the Methodist Church in Yaguaramas, Cuba. In addition to prayer, Saint Paul's contributed most of the funds to construct a new sanctuary in 2013 and we are contributing to the construction of their new parsonage. Their pastors, Rev. Isacc and Tania Isayde, visited Saint Paul's in November. David Gill is going with others from the Florida Conference to represent our church in visits to Yaguaramas church and their district conference February 6-13.

He would love to have a collection from Saint Paul's Church to present to our sister church. Here is a list of suggested items:

- Cards and letters of encouragement (place in the box under the church model in our narthex)
- Crayons, colored pencils
- Coloring books
- Pencils and erasers
- Cards and games
- Small cars
- Cash for Cuban pastors to purchase Spanish Bibles
- Bible stories in Spanish

Please bring any of the above items to send to Cuba with David by Sunday, February 2. On that day we will pray for those traveling to Cuba and for the gifts to bless the people in Cuba who will receive them.

## FEBRUARY ECO-TIP

### Show You Care with Sustainable Chocolate this Valentine's Day

Chocolate is a great way to treat your sweetheart, but did you know that a lot of the chocolate we eat is causing deforestation and is made with unfair trade practices? This year before you buy, find out what companies chose sustainable methods to make their chocolate. These brands are winners:

- Dove Chocolate (owned by MARS) works with their cocoa farmers to help them have sustainable lives and livelihoods.
- Green & Black's chocolates are organic and free trade.
- Newman's Own Organic is Rain Forest Alliance certified and makes chocolate bars and chocolate cups (filled with yummy peanut butter and caramel).

## RECAP ON OUR WINTER YOUTH RETREAT!

We took the youth on a retreat in January to Blue Lake UM Camp in Alabama. Our Theme was "Pause" and we talked about the importance of taking intentional time to spend in prayer and Bible study in order to grow in our faith, in our relationship with God, and in our ability to follow Christ more closely.

We wanted to share some photos of our trip with you. We had so much fun, and we can't wait to do it again.

# CONGREGATIONAL *care*

One of the things the Bible makes clear is that we are all called to ministry. Ministry is not something that we pay a select few to do for us. Following Christ means that each of us are called to care for others, to pray for one another, to visit and be in community with one another. In short, we are called to LOVE one another, and to serve one another with the gifts and talents we have been given. God calls us to do these things, but we don't always know how, or if we are doing it right. Let me suggest a few ways that you may consider for growing in your service of others:

At Saint Paul's, we have an active prayer team that meets every Wednesday morning at 8:00 a.m. to pray for the needs of our church community. Anyone may join us for this ministry. This team publishes the prayer list in the Weekly Notes and in the EPISTLE so that others may be in prayer for people during the week, and it sends out cards to give encouragement.

We also have a team that cooks and freezes meals and takes them to people who are ill or grieving. They make cookies and deliver them to our homebound members at Christmas. That team meets the first Monday of every month.

During the season of Lent, I will be offering a class on Wednesday evenings (starting March 4) called "The Caring Congregation." This class will cover both the why and the how of providing care, and will be practical and hands-on for those who would like to become more skilled at caring for others. We will learn how to pray out loud for others, how to visit with people who are ill or experiencing certain hardships, what to say (or what not to say) to those who are grieving, how to maintain safety and boundaries in home visits, how to serve communion, and other helpful guidance for how to serve those in need.

This class is for everyone, and if you attend there is no obligation to join our Congregational Care team. However, it is my hope that some will feel called to form a visitation team as part of our congregational care team, so that our ill and homebound members are visited with more frequency. If you are interested in being a part of that team, let me know. Sign up for the Lenten class, and together may we serve as the heart, hands, and feet of Christ.

Grace and peace,  
Rev. Becky Rokitoski, Associate Pastor
