HOW DO I RECOGNIZE HUMAN TRAFFICKING?

The Survive and Thrive Advocacy Center (STAC) has created an **anti-human trafficking training program** called **STACPRO**. This program is a **free, online, on-demand training**, funded by Leon County and the City of Tallahassee, designed specifically to empower businesses, workplaces, and employees with greater knowledge about how to recognize and respond if they suspect sex and labor trafficking in our area.

BE PART OF THE SOLUTION

With the community's support, STAC is building a network of people and organizations who stand with survivors and work together to prevent human trafficking. Please join us on Sunday September 10th at 9:45AM in Sander's Hall for a customized in-person training session for the faith community!
