

APRIL 2024

the EPISTLE

In honor of April having both Holy Humor Sunday and Creation Care Sunday...we bring you some Earth Day jokes!!

Why are people always tired on Earth Day?
Because they just finished a March.

How can you tell the ocean is friendly?
It waves.

What's the difference between weather and climate?
You can't weather a tree,
but you can climate.

What makes the Earth so great?
It's well-rounded.

As our church is studying God's way of justice, Saint Paul's Men's Reading Community is inviting all men to join us Tuesdays at Ology Northside, 8:30-9:30 a.m. to a discussion of **CASTE: The Origin of Our Discontents** by Isabel Wilkerson. *"The Pulitzer Prize-winning author examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions."*

Begins **April 2** at Ology on Kerry Forest Parkway. If you are interested or would like more information please contact David Gill, davidmurrhagill@gmail.com, or Nic Fugate, ndfugate@gmail.com.

CHEERS GUEST SPEAKER ON APRIL 7

The CHEERS Sunday School Class and Pastor Latricia invite you to join them in a lesson/discussion of human rights led by Mark Schlakman on April 7 during the Sunday School hour in Sander's Hall. Mr. Schlakman met Pastor Latricia when she moderated the God Squad recently. She recommended Mr. Schlakman to CHEERS because of a January class she facilitated for us on the Hamas/Israel/Gaza and larger Palestinian struggle. After discussing the upcoming class with the pastor, we feel that many in the church would benefit from hearing his message.

Mr. Schlakman is a lawyer with a background that includes serving as special counsel to Florida Governor Lawton Chiles, as a senior advisor on The White House staff during the latter stages of Clinton administration, a foreign affairs officer at the outset of the George W. Bush administration and as a special assistant to a four-star Marine Corps general before the general was appointed as chairman of the Joint Chiefs of Staff. Mr. Schlakman current serves as senior program director of the Florida State University Center for the Advancement of Human Rights. He teaches a range of interdisciplinary human rights and national security courses that are cross-listed for grad, honors and undergrad students that are offered jointly through multiple colleges on main campus at FSU, and he has taught Immigration and Refugee Law and Policy at the College of Law.

CREATION *care*

EARTH DAY IS APRIL 22nd

The first Earth Day in 1970 mobilized millions of Americans and birthed the modern environmental movement. Since then, Earth Day has evolved into the largest civic event on Earth, energizing billions across 192 countries to take action to safeguard our planet. It means even more to United Methodists as our book of discipline reminds us of our call to care for God's Earth. The Creation Care team started celebrating Earth Day early this year by doing a cleanup at Lake Ella on March 2 on our adopted street -- Lake Ella Drive. Friends, neighbors and city officials joined us to pick up litter along the .6 miles around the lake.

The theme of Earth Day this year is Plastic vs. Planet. We now know how harmful plastic is to life on our planet. It is estimated that up to 199 million tons of plastic are currently in our oceans with 14 million tons added yearly.

The Florida Conference of the United Methodist Church encourages the local church to pursue becoming Plastic & Foam Free by making simple swaps from single use plastic and foam to reusable dishes or those that are made from paper and biodegradable materials like bamboo. Avoid plastic whenever possible and chose aluminum cans over plastic because they are easier to recycle.

Take a look around your own house....almost everything we buy comes in a plastic container or wrapped in plastic! It's a challenge to change our ways, but alternatives are readily available for items we use every day, like dissolvable laundry detergent sheets, re-use zip-lock bags and other re-sealable containers, metal straws, even a "shampoo bar" instead of bottled shampoo.

Every small change adds up to a big difference when we all work together. To learn more, visit www.earthday.org.

Creation Care Sunday – April 21

Saint Paul's will celebrate Creation Care during worship with music, prayers and a message that lifts up our biblical call to be good stewards of God's earth.

MISSION ministries

MANNA ON MERIDIAN

Each of the 4 churches on Meridian Road is responsible for providing the bulk of the volunteers on distribution day 3 times a year. Saint Paul's is responsible on **April 20**. (and August and December) Set up begins at 7am and we end by 10am. Please think seriously about volunteering, even if only for part of that time, and contact Barb Block if you plan to be there-850-241-2642 or email tallahasseebarb@yahoo.com.

For anyone not familiar with Manna on Meridian, it is a monthly food distribution program run by 4 churches on Meridian Road - Faith Presbyterian, St. Stevens Lutheran, Saint Paul's, Unitarian Universalist, and joined by Grace Lutheran.

Thanks for your support! Please seriously consider this opportunity and let me know of your availability and any questions.

Barb Block 850-241 2642 or tallahasseebarb@yahoo.com.

CAPITAL AREA JUSTICE MINISTRY

Will you show your love of justice by attending the Capital Area Justice Ministry's NEHEMIAH ACTION? Our church is praying to have at least 100 of our church gather with other people from 16 other houses of worship on **TUESDAY, APRIL 16, 6:30-8:00**. The plan is for 1000 people of the Tallahassee area to show our elected leaders our concern and plans regarding the lack of affordable housing and the plague of gun violence at the Old West Florida Enrichment Center, 2344 Lake Bradford Road. We will be taking our church bus which will leave from our parking lot at 5:30 pm. Email amy@saintpaulsumc.org to reserve a bus spot. Child care will be offered (10 and under, reservations required) by Beth Wilde in our children's building.

YOUR presence will add power to our requests of our leaders. For example, on February 29, Over 80 CAJM members turned out to press the Blueprint Intergovernmental Agency to continue the process of adding affordable housing to the Blueprint project list. We won by a vote 12-8.

UPDATE FROM YAGUARAMAS, CUBA

Our prayer partner church in Cuba is in a small farming town, Yaguaramas, in the center of Cuba. They are having extremely hard times economically but the church is growing in faith, in conversions, healing, love and joy. Through your giving to our church budget we are financing a free breakfast to 60-70 children at the Methodist Church there each Sunday. Thank you for your giving to nourish these children who are without proper food.

THANK YOU FROM THE CHILDREN'S HOME

I am excited to congratulate Saint Paul's UMC on reaching your \$12.00 per member goal {\$8,172.00) of giving and increasing your gift total to \$13,061.24 to the Florida United Methodist Children's Home during 2023. We at the Children's Home exist as a part of a connection within the Florida Annual Conference, a connection which has enabled a partnership to serve children in need for a very long time. It's an honor to walk alongside pastors and churches in this ministry and look forward to being able to do so for a long time to come. The goal for 2024 remains at \$12.00 per member. Contributions may be sent directly to the Children's Home or through the church as 5th Sunday offerings, honorarium and memorial gifts, birthday and anniversary gifts and Christmas gift cards. We know that churches around the conference are involved in various missional efforts, and we are honored that you have continued to support your Children's Home and Madison Youth Ranch.

Sincerely, Elizabeth Gadd, Chief Development Officer- Florida United Methodist Children's Home

Due to Easter, our next Noisy Sunday Offering will be held on April 7th. Don't forget to bring your change to worship to help us continue to support the Children's Home!
